Dear Trisha:

Thank you for the great service your firm has provided our family. As this was our first time to hire a nanny, we appreciated your advice and counsel as we went through the process.

Also, we were very impressed with all of the candidates you have sent to us. We have interviewed five nannies and had two sitters and each person was professional, kind and a good match with our family.

When our first nanny had to leave the country suddenly, we requested a new group of candidates to interview on extremely short notice. You provided two excellent candidates for us to interview within 24 hours. This situation gave me great confidence in your company and great relief that our son would continue to be well cared for by a loving professional.

We would be pleased to serve as a reference for any future parents...especially those who beginning this journey for the first time.

Thank you,
Disa Mason
