Re: Trisha L. Martin/Little Angels Nanny Service

To whom it may concern,

We are faithful customers of Little Angels Nanny Service and cannot say enough good things about its owner, Trisha Martin. Ms. Martin was able to find an immediate placement for us. Although the first person selected was good, she was not "perfect". After speaking with Ms. Martin again about our needs, she was able to find the perfect person for us. She certainly puts a great deal of thought into her selection process. Again, we highly recommend Ms. Martin and her company.

Very truly yours,

Joe and Ina Landy
