

Dear Trisha,

We're so happy that we found your nanny service. You provided the best quality service around. I was very specific what I was looking for and you found me Polyana. She has been such a joy to have around my children. She's caring and loving to them everyday. We will continue to use your service, should a situation change or if we need a weekend babysitter. We know that you will always provide us with the best of the best in nanny care.

Sincerely,

Kim Rubin
